

Stefani Estate

**2017 BARREL SELECTION
HEATHCOTE VINEYARD SHIRAZ**

RRP \$65 / 2035

It's rich and ripe but it has personality too. It's a meaty, nutty shiraz with a solid core of fruit: asphalt, jellied black cherry and red liquorice. Tannin comes sparkled with spice. It's been ripened to within an inch of its life, but it still manages to come through with flying colours. 14.5% alc.

WINEMAKER

Peter Mackey

How should we enjoy this wine over the coming months?

Over the coming months, a wonderful way to savour this wine is to serve it with roast abbacchio [spring baby lamb] alla romana or spicy barbecued pork spare ribs for a relaxed Sunday lunch. These meats bring out the richness of the fruit flavours in the wine and will certainly increase your appetite for more.
